

# SAMPLE PRODUCTS COVERED UNDER THE BEVERAGE CONTAINER RECYCLING AND LITTER REDUCTION ACT STARTING JANUARY 1, 2001

**EFFECTIVE JANUARY 1, 2001**

*UPDATED July 14, 2008*

The following is a list of products for which the Department of Conservation's Division of Recycling has made determinations regarding inclusion in the Beverage Container Recycling Act effective January 1, 2001. This list is not all-inclusive, and as additional beverages are brought to our attention they will be added to the list. Exclusions are milk, infant formula, distilled spirits, wine, medical foods, 100% fruit juice in 46 oz. or larger containers, vegetable juice in containers above 16 ounces, and beverages in large size containers that are refillable. If you have questions regarding the status of a particular beverage that is not on this list, call 1-800-RECYCLE and the operator will put you in touch with staff that can provide you with guidance in making the appropriate determination. Upon determination we will add products to this list.
